

The Wolfe Ranch Life Enrichment Center brings together humans, horses, and hearts for positive growth.

The Ranch provides a fun, safe, and inclusive environment for those that visit. Horse activities are offered and the Ranch also serves as a retreat and conference site.

The Ranch's horse activities connect the participant(s), equine director, and horse(s) together to help them learn more about horses and themselves through a host of hands on activities. Horses have been proven to be a great tool in teaching life-enriching lessons such as: character building, communication, camaraderie, and leadership. Our commitment is to provide participants with exciting and educational activities so EVERYONE walks away with a heightened sense of confidence and success.

### Horse activities assist participants in :

- Communicating better
- Building confidence
- Increasing trust
- De-stressing
- Feeling a sense of freedom
- And much more...

### Who can participate?

EVERYONE can! Our staff are highly experienced in working with children, families, and groups regardless of age or skill.

They are confident and proficient in creating appropriate activities for people of all ages, including those with special needs.

### How much does it cost?

The cost is flexible based on need. Riding lessons are \$35.00 an hour and other opportunities are available on a sliding scale.

### Is it safe?

Yes. Side walkers and leaders are provided with each horse for beginners. All safety precautions are taken before anyone works with the horses. A safety video is shown and helmets are mandatory for adults and children. The Ranch is also equipped with an enclosed arena so the rider can get accustomed to the horse.

# A Home Away From Home

Whether you would like to spend a relaxing weekend with family or host a special event, the Wolfe Ranch Life Enrichment Center is a great location for you! The Ranch is unique in serving as a conference site for meetings, retreats, and events for individuals and groups.

Overnight accommodations and meals are also available. Please contact Equine Director to make reservations.
